

## Intercon's Pro-Con concentrated chemicals offer a wide variety of benefits:

- Significant savings over ready-to-use chemicals.
- Automated dispensing unit makes concentrates as easy as RTU.
- Exact metered dilutions ensure waste-free performance.
- Wall-mounted unit has a slim profile to fit anywhere.
- Customizable configurations and dilution ratios allow for maximum flexibility.

All Pro-Con products are available in 3x0.5 gallon and 2.5 gallon sizes except as noted below.

 **Pro-Con Blue #80838**  
Glass and window cleaner.

 **Pro-Con Lime #S86037**

Cleaner, disinfectant, detergent, deodorizer, virucide, fungicide (against pathogenic fungi) and mildewstat (on hard, non-porous, inanimate surfaces).

 **Pro-Con Yellow #S8539**  
Odor neutralizer.

 **Pro-Con Aqua #S2054**  
Restroom cleaner/disinfectant.

## BLUE PLANET™

### Blue Planet Environmentally Friendly Products from Intercon

Intercon is proud to bring you Blue Planet, a line of cleaning products that are both environmentally friendly AND effective.

#### When you purchase a Blue Planet product, you have our promise that:

- The product carries the EPA's Design for the Environment (DfE) label, recognizing that each product puts the environment and human health at the center of the formulation process and that it meets the EPA's rigorous environmental leadership standards.
- The product was formulated to utilize biodegradable and non-toxic ingredients.
- The materials used to make the product are specifically selected to qualify for DfE.
- The production process for the product was designed with the environment in mind.

#### Blue Planet Foodservice Products
